

Winner Announcement of Logo Competition for Space Cooling Through Optimum Temperature Settings of Air Conditioners

Bureau of Energy Efficiency (BEE), under the aegis of Ministry of Power, conducted a logo competition on “Space Cooling Through Optimum Temperature Settings of Air Conditioners”.

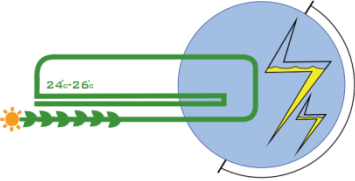

The energy and enthusiasm of the contestants were at its best, as they presented their creative and innovative logos which depicted social relevance in a very cohesive manner.

The event witnessed an active participation from round the country, and after a tough and rigorous round of screening, 6 entries were finalized.

We congratulate all the winners.

Following is the list of winners:
